MEMORIES ARE FOREVER

The theme this year was the result of several noonhours spent brainstorming with a group of yearbook staff members otherwise known as the theme committee. We discussed several theme possibilities, but the committee felt that the focus of this book should be on memories because they are so important to us all. So, after much deliberation, we decided on "Memories Are Forever."

Our purpose in putting out this yearbook is to capture the good times we have had this year and to help you remember them forever.

We sincerely hope you enjoy this volume of the Blackhawk yearbook.

IN MEMORIAM

David C. Baker

A little over a year ago I lost my best friend to a dumb accident. Dave was a great person. I knew a side of him that many people never got a chance to see. He cared about people and never got a chance to show it. I still remember being at his house and having long talks about everything. Losing Dave crushed my life. There is one thing I have learned from this experience. A friend is the most valuable thing in the world. I learned this very hard and fast, something I hope none of you ever has to go through. I'll miss him forever.

I'd like to take this chance to

thank Dainer, John, Nat, Val, Smitty and everyone (you know who you are) for getting me through it.

- Tim O'Brien

Memories in the past, visions that fly so fast, will never leave our minds. To you Dave we give our love, our hopefulness and our courage. In return we accept our memories, the times we have spent together, the laughing, crying, and partying. You were a great friend to us and always will be.

Sincerely,
Chris Harvey

Making life-long memories while experiencing other cultures

Jeni Howe - Norway

Hello!

Well, it's me, Jeni Howe, writing about my year here in North Norway. I'm a Rotary exchange student to Harstad, an island off the coast, above the arctic circle.

I've been really busy here for the last seven months. I attend a school from 8:20 until 2:55 every day. Two nights a week I train for volleyball, and we play games on the weekends. I also regularly attend Rotary meetings. All this is combined with a fabulous social life. Weekends here are filled with parties. They begin around 8 PM on Saturday and around 10 or 11 we go to one of Harstad's three discos. The discos close at 3:30 AM and it's typical to go to another house party after that; so to come in around 7 AM is a habit for some.

The parental guidance is a lot different here. It's expected that you will go out and if you don't you start to get weird looks. You're treated more like an adult here. What you choose to do is your choice. It's great!

Being an exchange student is an excellent opportunity for so many reasons. You learn so much more than the obvious - by obvious I mean language culture. You learn to depend on yourself and to get along with everyone. That's probably the most important of all. I haven't met a Norwegian I couldn't like.

This year abroad has been great and is a time of my life that I'll never forget. So far there are only about 2000 people who are coming to Oxford to visit. (I hope they all don't come at once!)

But seriously, if any one of you are even thinking about being an exchange student, GO FOR IT! You won't regret it!

Love ya, Jeni

Honey Wilson - Brasil

Ola!

Being an exchange student to Brasil was the best experience I'll ever have in my life. I've learned what we Americans take for granted in life. Many doors opened for me and yes, as the expression goes, I have "broadened my horizons" in more than one way.

The language barrier was the most difficult. Being very expressive and always wanting to speak my mind, it was most aggravating. I did not know Portuguese whatsoever and it was quite the challenge! I encountered many different situations which left me, at times, in confusion and doubt; but I had to learn to overcome these obstacles. I was bound and determined to make the absolute best of my time there and boy, it wasn't the easiest thing to do!

I found the men to be very macho and dominant in everything. The women did not have much to say. Being female and American, nonetheless, I ran into a few problems that were not intended purposely.

The culture of Brasil is quite different than what we Americans are used to. Sometimes saying what I felt and speaking my mind had different effects on the Brazilian people that were taken the wrong way! Not only the food, language and clothing were different, but I also found out how dating can be a nightmare! Teenagers there are very set in their ways and have high standards and priorities which differ from teenage life here. I guess you would have to live the experience to truly know what I went through! I had my ups and downs but wherever you are in the *world*, that happens in life!

An open mind, an open heart and tremendous courage helped me make the year in Brasil a wonderful stay. My adventures abroad will always be remembered! Thcao!

Stephanie Uhl - France

P.S. I want to give a very special thanks to Linda and Neil Bartle! - Honey Wilson

Hi everybody!

Time has now come to look behind me at this year that I spent in Oxford as an exchange student and see how wonderful it was. For me it was like building a new life by meeting new people, making new friends and getting involved in several new activities.

Now I have to leave this part of my life, this part of myself. However, the memories can never be destroyed and I never will forget the friends that I made. All those wonderful people that I met, their friendliness, their understanding, their kindness and their smiling faces made this year one of the best in my life.

Love you, Don't forget me,
God bless you

CLASS

Upon entering the high school our freshman year, we were the last class to receive the traditional boogie that all preceding classes had been "welcomed" with. Our class was led by Pam Brennan, with Anthony Tierno as second-in-command, Carrie Zdobylak as secretary, and John Lobdell as our treasurer. We began to save money for prom and graduation by selling items from Current, Inc.

As we returned our sophomore year, Pam resumed the presidential position, John returned this time as vice-president, and Vicki Holt kept our notes. Nat Emerson managed the money which we earned by selling jewelry.

Our junior year we sold magazines, hoping to build up our savings in preparation for our upcoming prom. Although we never reached our sales goal, we were able to have a fabulous prom on May 12, 1990. Our theme was Paradise City and we decorated the gym with blue, purple

HISTORY

and silver streamers. We added a city skyline, a balloon bridge, and white palm trees to give our city the perfect touch. The song we chose to be played at the crowning was "Without You" by Motley Crue. Our music was provided by the Party Pros. Our officers that year were Alyson Amaral, president, Vicki Holt, vice-president, Holly Thome, secretary, and Heidi Leonard, treasurer.

Before we knew it the year that we had all waited so impatiently for had arrived. Pam returned as our president, Heidi moved into the vice-presidential position, Holly returned as our secretary once again, and Vicki managed our finances. Our Homecoming was on October 26, 1990. All candidates, girls *and* guys, were introduced on the football field during halftime. Later that night at the "Halloween Homecoming" dance, Holly Thome and Tim O'Brien were crowned Homecoming queen and king.

You made it!

Class Advisors: Miss Gollnitz, Mrs. Detweiler, Mr. Wilcox, Mrs. Soeffing, Mrs. Pearlman; Missing: Mrs. Morris, Mr. Shirkey.

We would like to extend our sincere thanks and gratitude to our class advisors who have been with us since our freshman year. Your efforts to guide us in making all our important decisions, and your support in our ventures was greatly appreciated. We would also like to thank Doc and Miss Smith for their help in making plans for graduation.

Graduation Advisors: Mr. Constantine & Miss Smith.

The junior class has achieved several accomplishments this year. Our magazine sale was a huge success and helped raise \$2500 for our prom and future graduation. The junior class won first place in this year's Homecoming parade. The float, entitled "Then and Now," included our parents who were involved in Homecoming in 1963, (Then), and their children who participated in Homecoming this year, (Now). As a result, the juniors have a 10 point lead towards Spirit Week. This has been a very prosperous year and we would like to wish everyone a wonderful, goal-reaching future.

This season was the rainiest season ever. We played more than a few games on wet, muddy fields. However, these bad weather conditions did not prevent us from having a successful season. We made it to sectionals and gave a good fight before falling to Bainbridge-Guilford in the first round. Oxford Softball looks forward to many more successful seasons like this one.

After graduating five out of six starters in 1989, the 1990 boys' tennis team had a year of rebuilding. Because we have such a young team, Oxford's potential for having many winning seasons in the future is great. Oxford, by far, has the biggest boys' tennis team in our league. Our optimistic Coach Carey says, "I think many players showed great improvement. All but one of our starters are back and we are looking forward to a winning season this year."

After a rough season in 1989, the Oxford Varsity Golf Team prevailed with a 10-2 record, falling second only to Windsor in league play.

Leading the team and furthering their seasons with sectional play at the Cornell University Golf Course were Don Branham, Jason Bradley and Mat Mayhew.

Oxford is looking forward to a great season this year. "We are really confident that we can win the Sus-League Championship this year," Don Branham said. This is very possible considering the team lost only one golfer to graduation last year. All members of the golf team are looking forward to a great season this year and are ready to bring home that championship trophy.

The 1990 varsity football team had a great season. Our record was 4-4-1 with a lot of tough games. Our leading rusher was Corey Shaw who finished off the season with 1595 yards, beating the school record of 1259 yards set by Nelson Lucier in 1982. The football team went out on the field every game with a positive attitude and football on their minds. Thank you to the coaches who were behind the team with a lot of long hours, hard work and dedication. Thanks for a terrific season, Football '90!

This cheerleading season was very successful. Our coach was Cindy Bauman. The girls worked very hard learning new cheers and remembering the old. The girls also put on a pep rally which turned out great! They did a dance routine at the pep rally and at the Homecoming game halftime. The songs they used were "Unskinny Bop" and "Bust-n-Move". The cheerleaders recognized all fall sports teams at the pep rally. Good luck to the girls next year!

The Oxford Varsity Field Hockey team had a very impressive season. Their league record was 9-2-1 with an overall record of 11-4-1. The team placed second in the annual Oxford Field Hockey Tournament after losing to Greene in overtime. The backing forces behind this inspirational team were head coach, Barb Mackey and assistant coach Ruth Smith. A combination of the coaching skills and team spirit were what made this hockey season such a success. Oxford was also the first league team in years to beat Deposit. With all certainty, the team made it to sectionals. However, in the first sectional game against S-E, Oxford lost 1-0. The field hockey team placed second in the league and definitely had a distinguished season to be proud of!

What will be remembered about the 1990-91 Blackhawk basketball team is not their record (3-16) but the unwillingness to quit. After only one win in 15 outings, this young team came within 1 point in a double overtime game against Harpursville of winning three of their final four games of the season.

Seniors Jason Bradley and Scott Lindridge persevered and led our 10 underclassmen to a positive season finish.

Jason Bradley was selected as an all-tournament team member at both the Norwich Tip-off and the Sidne Holiday Tournaments.

Homecoming candidates? . . . or Oxford's "Bored" of Education?

Here comes the juniors' winning float!

The Student body has worked hard this year to effectively govern our school. For the first time, juniors were elected as officers to work toward enhancing our school's environment. The Student Government provided apple pins to all the faculty on November 15 as a part of National Education Week. The Homecoming Parade was also a tremendous success. The Student Government worked hard to bring parade festivities back to Homecoming. The last parade was in the mid 80's. The Student Government is also planning Spirit Week.

Student Government held two fund raisers this year. The first was the selling of candy to benefit the Student Government Scholarship. The second was a dance in which money was raised for the James Tefft family.

In conclusion, the Student Government would like everyone to know that they support our troops in the Persian Gulf. Therefore, they furnished yellow ribbons that were hung around the school.

The Honor Society has had an active year so far. This fall we sent Christmas cards to soldiers in Saudi and a care package to a battleship stationed in the Gulf. We made our annual holiday visits to the elderly, which are always fun. It's mutually beneficial: their knowledge about the history of the town is interesting to us, and they're equally interested in our fresh perspective and ideas. Also at Christmas time we delivered Christmas gifts to children of a needy family. Due to popular demand, we brought back the computer dating service Valentine's week that we ran 2 years ago. On February 28th we inducted 16 new members, a record number. Planned for this spring are our annual blood drive and an Easter egg hunt at the primary school.

Les Vieux

This has been a busy year for the French Club. We were greatly disappointed when, following the trend of the last two years, initiation was cut down once more, this time to one day. (Of course, the initiates were thrilled!) However, we took full advantage of this day, and, for the most part, put a lot more effort into our costumes than in the past when you needed to get five separate costumes ready. So, all in all, it wasn't as disappointing as we thought it would be.

In December we had a Christmas party after school (see pictures at right, this page and center, next page). The French desserts that members brought, such as La Bûche de Noël and des bonbons, basically disappeared in the first ten minutes. Then Stephanie Uhl answered questions about Christmas in France, and, singing for us and playing her guitar, taught us French Christmas carols. We, in turn, taught her some uniquely American carols: "Frosty the Snowman", "Rudolph the Red-Rose Reindeer", "I'm Gettin' Nothin' for Christmas" and "I Saw Mommy Kissing Santa Claus", to name a few. We had a great time. We're also planning to put on a dance and have our second annual Mardi Gras party this February. At our Mardi Gras party, we'll dance French dances, play French games, and, once again, pig out "American-style"!

another memorable year

Summer 1990

The Marching Band did well this past summer, ending the season with first place in marching band competition in the Norwich Firemen's Parade. Throughout the summer we played two concerts, one in McDonough and one on the park in Oxford. All in all it was a Great Summer! Here is our record:

Class "A" Competition

- Cincinnati- 1st Place in Band
- 1st Place in Color Guard
- 1st Place in Drum Major Team
- Afton- Best Drum Major Team
- 2nd Place in Band
- Chenango County Firemen's Convention- 2nd Place in Band
- Sherburne Pageant of Bands- 2nd Place in Concert Band
- Chenango County Fair- 1st Place in Band

Thank you to all who worked hard. Everyone in the organization did a superb job. Putting together such fine performances takes time, practice, cooperation, and dedication. Nerves sometimes frazzle under the stress of a competition, but, through out it all this group triumphed.

The Oxford residents enjoyed being entertained by the high school band members during the concert on the park.

Workers who supply

School Store Managers

S. Golden, B.J. Diamond

The school store is a small shop which sells school supplies, review books, Oxford sweatshirts and sweatpants and a small variety of candy to the students and faculty. This year we have added two new flavors of Lifesavers and a candy bar called "PB Max" to our usual supply of goods.

The store is controlled by two managers, usually seniors, and the many students who volunteer to work during their free time. The managers' jobs include: keeping track of the supplies, ordering more when they are low, checking the order after it arrives, recording the money needed to pay the bill, then notifying the treasurer to send a check for that amount to the supplier.

This 1990-91 school year has seen a lot of change in our newspaper, the Blackhawk Squawk. The staff is working hard to put out a professional-style newspaper. In late November, most of the staff attended the Southern Tier Regional High School Journalism Conference at SUNY Binghamton sponsored by the Press & Sun Bulletin. We attended sessions on layout, feature writing, advertising, graphics, and a number of other topics. We picked up many tips that we hope you will find make the Blackhawk Squawk more appealing and professional.

The entire staff should be shown many thanks, for without writers, interviewers, typists, printers, editors, and of course the newspaper adviser, Ms. Spencer, and all the cooperation and labor they have put forth to make the newspaper better than ever, there would be no Blackhawk Squawk.

The yearbook staff, as always, has had a very busy year. No matter how hard we try to keep on schedule, it always seems to pile up until the night before deadline! And yet, we do get things done.

The production of a yearbook is a vast undertaking, and requires the involvement of many people. From layout to advertising, and subscription to artwork, there is a tremendous variety of tasks that need to be done, and steps that need to be completed. Together with Mrs. Soeffing and Mrs. Perlman, Kristen Williams and Stefanie Behe have worked hard to bring it all together and make sure that there are no loose ends. The successful completion of this book is the result of many hours of hard, and often frustrating, work. It is a responsibility that not many people are willing to take on, but an important one - there would be a lot of unhappy people if we didn't have a yearbook!

What we remember best about skiing:

- . . . Timbo and his graceful breast stroke down Trojan
- . . . Heather and her unexpected visitors
- . . . Sully and Jase and their "cliff jumping"
- . . . Steph who met the cutest guy in the whole lodge
- . . . Karen and her isotoner gloves
- . . . Holly and the fag who followed her around for two weeks
- . . . Dan and his black book of phone numbers
- . . . Honey and her "B" frame no one can find
- . . . Heidi when she got stuck on the lift and had to jump into the arms of a Greek God
- . . . Dain and Sully with their wing hats
- . . . Nat who never got out of his 3-pt. stance
- . . . Our weekly sobriety tests compliments of Mr. Godfrey
- . . . Chris, Pete and Troy who hang out in the lodge 3 out of 5 hours a night
- . . . Michelle and the attack of the killer skis
- . . . Missy's fake blue ticket that Aaron got her
- . . . Chris and his camouflage pants
- . . . Even Aaron fell on the bunny slope, but then again so did Doc

But overall we learned that you can't wear enough clothes!

FFA gets set for the Valentine's Day flower sale.

Last summer the FFA took advantage of the nice weather and continued developing the high school courtyard area into an arboretum/picnic area. They also did some landscaping projects such as the Brookside Apartments in Oxford.

On September 25 the 57th annual School Fair was sponsored by the FFA. There were new and old activities. Some of these activities were: floral design, embryology, apple cider making, wool spinning and even duck racing with real ducks. Grades Kindergarten through third rode buses over to the Middle School to attend the fair in the morning. Grades four through eight participated in noon-hour activities.

For Halloween, a pumpkin named Max was harvested and a contest was held to see who could guess Max's weight. Janice Roberts won a pizza for having the closest guess. Max weighed 66 pounds and had 488 seeds. He was carved and decorated and served as the mascot for the Halloween Dance.

Before Christmas the citrus sale kept this group busy. Because the fruit didn't arrive until the day before vacation, many cases were not picked up. These were donated to homes for the elderly. The FFA also sold Christmas wreaths and centerpieces at this time along with decorating the town with wreaths and boughs and visiting the Vet's home to paint the windows to make it look Christmasy. The citrus sale raised about \$500 and they sold 25 centerpieces and 30 wreaths.

Homecoming took place on the cold, blustery night of October 26th. This year we decided to do things differently and included the guys in the Homecoming Court. We also had a dance in the gym where Leah Mayhew, returning Queen of 1989, crowned Holly Thorne Homecoming Queen and Tim O'Brien Homecoming King. Despite Oxford's loss to Hancock that night, everyone seemed to have a great time.

Stef and Erika play a mean game of ping pong.

As always Spirit Week was busy and exciting. New this year for the dress up days were Senior Citizen Day, Nerd/Clash Day, and Patriotic Day. We started and ended on the more traditional Hat and Button Day and Red and Black Day. The afternoon events were as follows: Dizzy Izzy (Mon.), Ping Pong Blow (Tue.), Pie Eating (Wed.), Lifesaver Pass (Thu.) and Three Point Shootout (Fri.).

The week's results ended up with the Class of '93 in 1st place, the Class of '94 in 2nd place, the Class of '91 in 3rd place and, once again, the Class of '92 in last place.

Paradise City - One of

Bob and Loretta take a breather.

Jim Pautard and Heather Bartle enjoy their first dance as King and Queen of the prom.

After numerous attempts of trying to have an original prom by holding it outside the school, we finally decided to keep with tradition and have it in the gym, which was very successful.

Our prom was on May 12, 1990. Our theme was "Paradise City" and our song, provided by the Party Pros, was "Without You" by Mötley Crüe.

We decorated the gym with blue, purple and silver streamers. A city skyline was designed by Michelle LoGerfo which was framed by a white and silver balloon bridge accented by tiny white lights. Palm trees and wicker furniture helped to complete the image of a tropical city scene. Each Junior received a wine glass and each Junior girl was given a red silk rose.

Prom was a very memorable night for everyone and I am sure that it was one night we will never forget.

the biggest proms ever

Paradise City's King, Queen and Court, lost in their thoughts, wait patiently under the stars for the moment to be captured on film.

Prom Court

Julie Cumalia escorted by Neil Huntley, Miffy Knoll escorted by Scott Stevens, Marty Lewis escorted by Dave Armitage, Michelle LoGerfo escorted by Tyrone Burdick, 1st Princess Nicole Klemens escorted by John Lobdell, Queen Heather Bartle escorted by Craig Shear, King Jim Pautard, 2nd Princess Alyson Amaral escorted by Bill Cast, Tina Tighe escorted by Jason Bradley, Heidi Leonard escorted by Clint Simpson, Vanessa Heggie escorted by Corey Shaw, and Kelly Bauman escorted by Chris Harvey.

The King and Queen's throne awaits the decision of the judges.

Mike, Tim and Clint were all smiles for the judges.

The spectators are enjoying our beautiful Paradise City as they wait for the crowning of the court.

The safe way to party

No, Chris, you can't ride it home!

Come on guys, leave me alone!

Am I great or what?

Who ever said there were only three stooges?

Jason and Jay play some one-on-one.

Miss Hodge, peek-a-boo is with two hands.

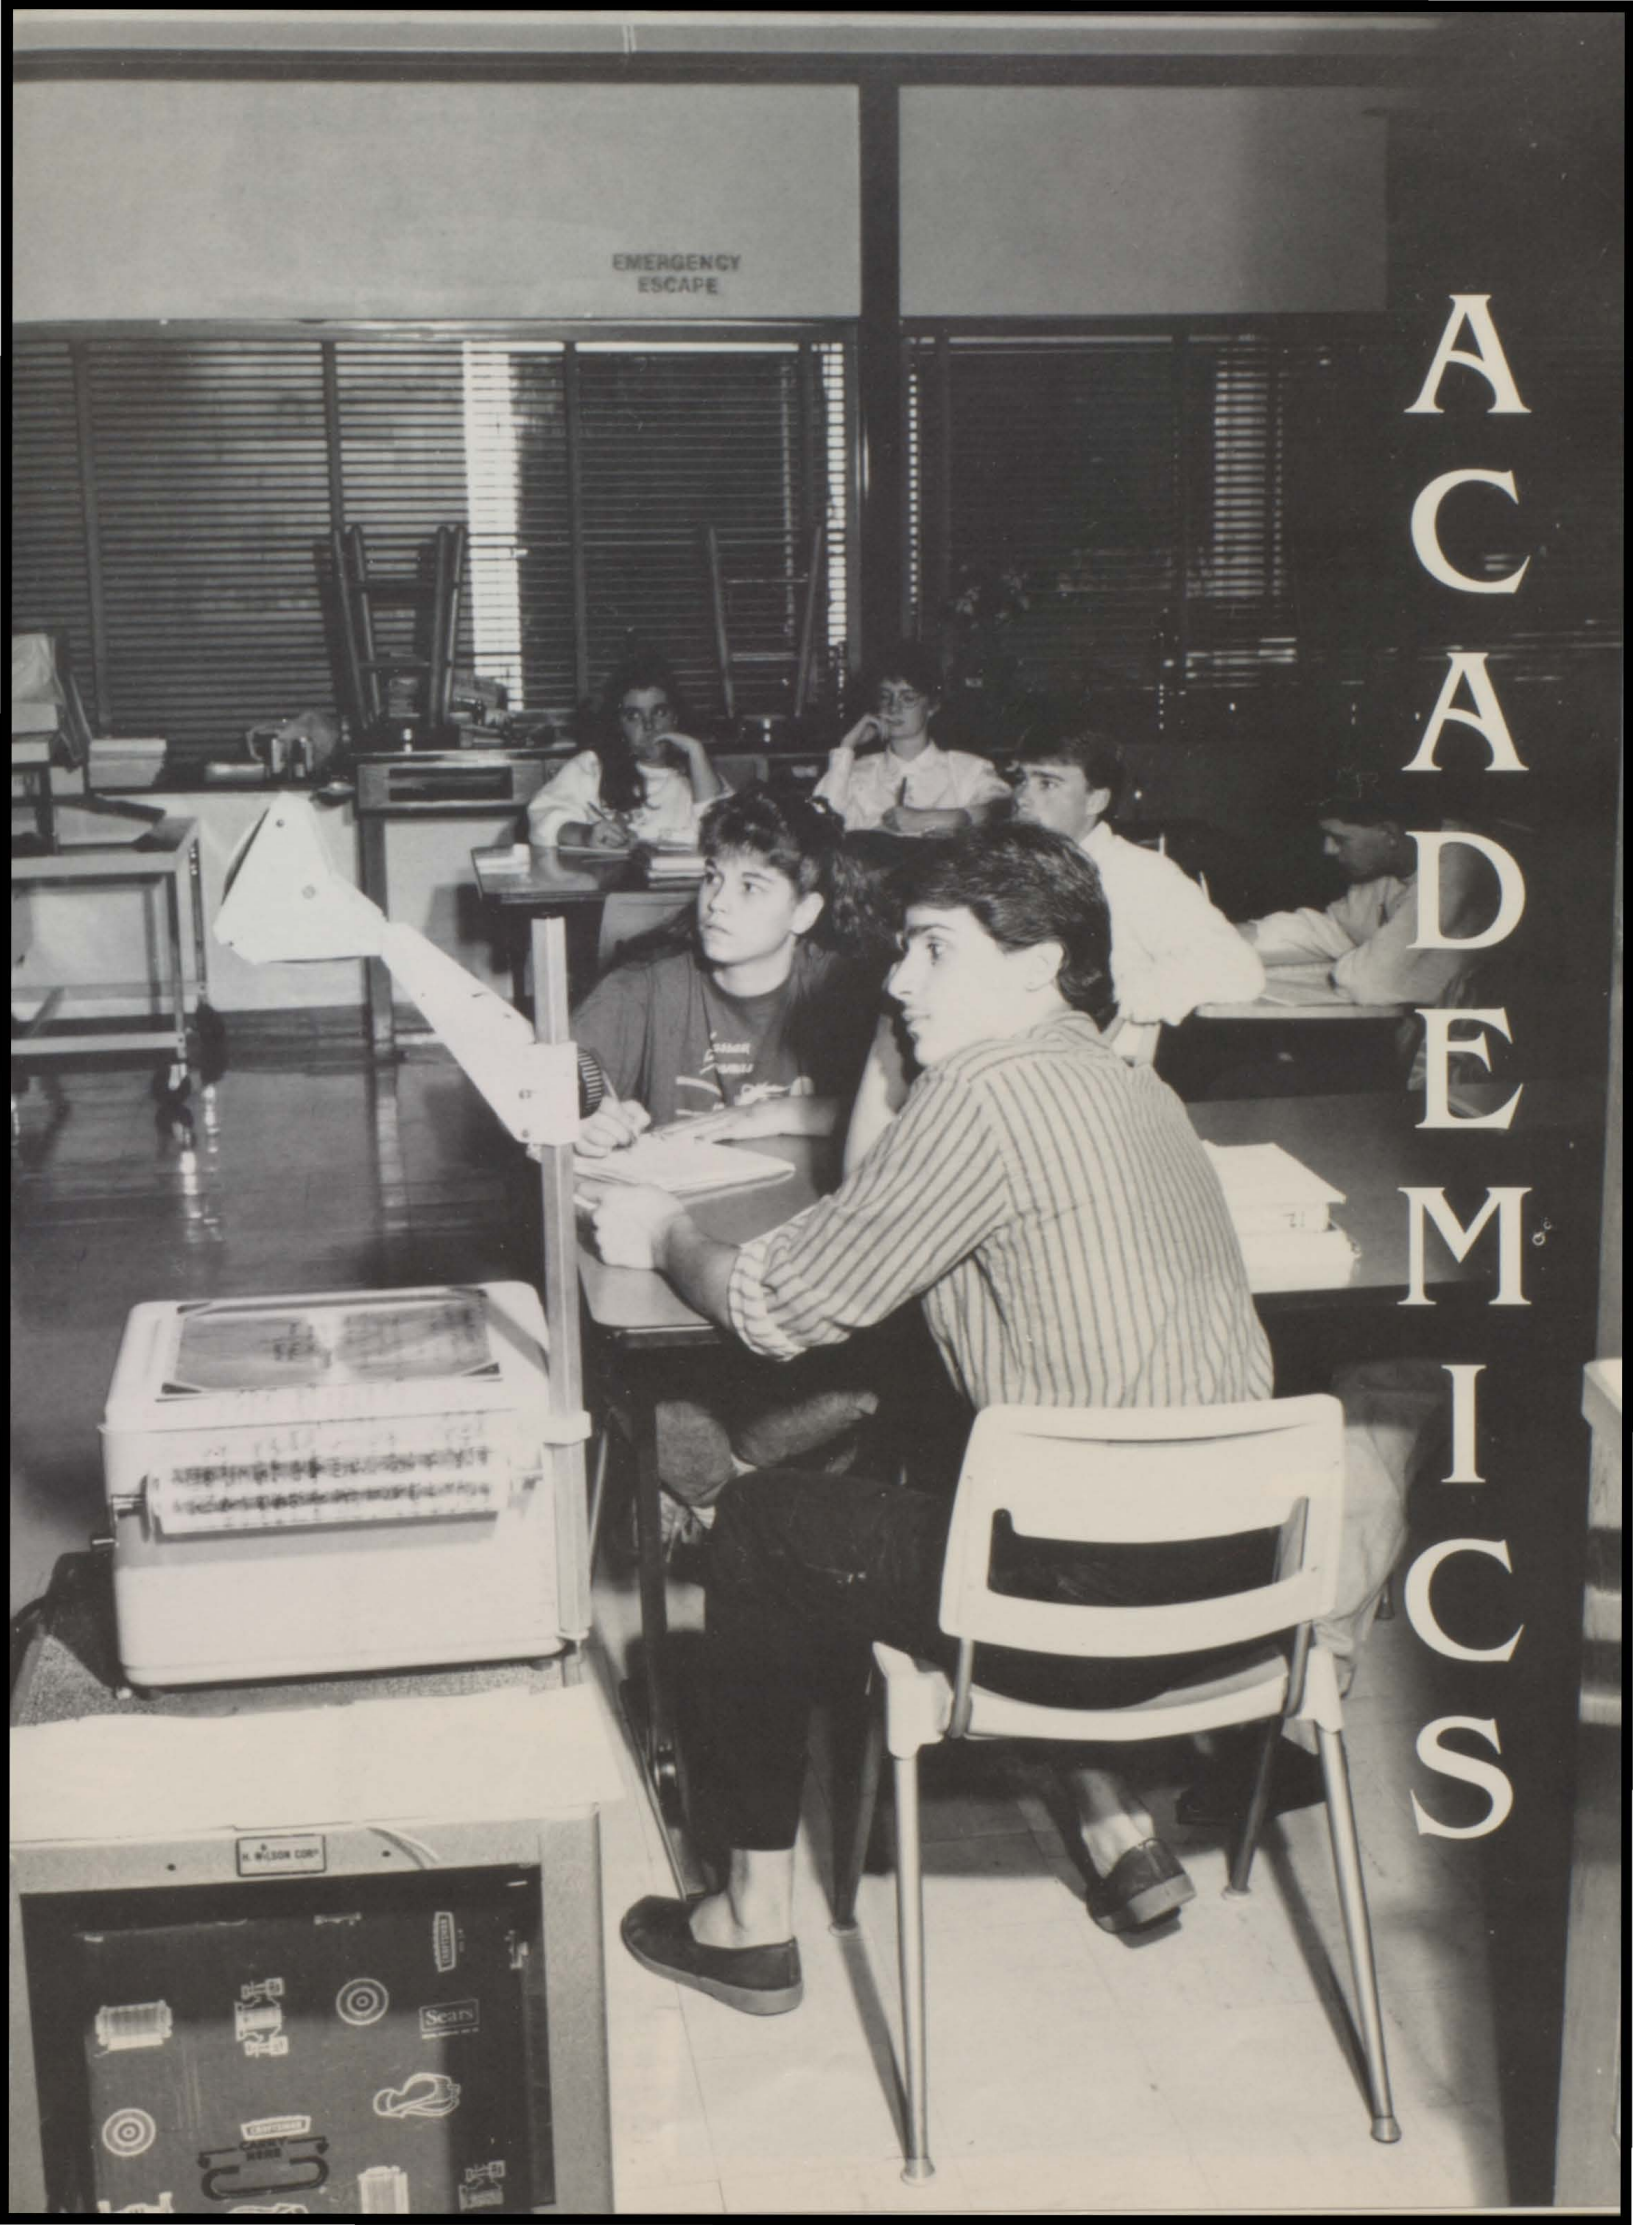

For the second year in a row, Oxford held an "All Night-After-Prom" party. It was held at the Norwich YMCA. Everyone had free use of all the YMCA's facilities including: the swimming pool, hot tub, racquetball and volleyball courts, gym, Nautilus, the weight room and the snack bar for dancing.

Over \$3,000 was donated by local businesses, organizations and parents.

The 1990 After Prom Party was a great success. 180 students attended - 30 more than last year! The party concluded with a great breakfast at the Oxford Fire Station.

Oxford students participate

Girls' State

Miffy Knoll and Nicole Klemens represented Oxford at Girls' State last summer . . .

"It was a wonderful experience. I met so many new and interesting people!" N. Klemens

Miffy and some friends taking a break outside.

Nicole and her friends hanging out in the dorm at night.

Boys' State

Oxford's participants at Boys' State last summer were Scott Lindridge and Dan Stroup. Jeff Eldred Represented McDonough . . .

"It was awesome-both educationally and socially. It's too bad that only three people get to go everyone would benefit from the experience." Lindridge

Miffy and the other delegates all dressed up for the "Governor's Inaugural Ball" at Girls' State.

in Leadership Conferences

Nicole Klemens, Miffy Knoll and Alyson Amaral had the chance to experience Operation Enterprise last summer.

Operation Enterprise

"I am very thankful for the opportunity I had to attend Operation Enterprise. It was a rewarding experience. I wish everyone in our school could be a part of it.

"I graduated from Operation Enterprise with a better understanding of how management works, and what responsibilities a leader has. But what I will remember most about my time in High School Session IV, 1990, are the special friendships that were made. I will treasure the memories of the fun times we shared for the rest of my life." — Miffy Knoll

One last picture before final farewells.

RYLA

Holly Thome and Heidi Leonard attended RYLA at Hartwick last summer.

"The best part of the week was when we went to Project Adventure. We went through trust sequences and adventures with our Small Groups that really established a bond between us." H. Leonard.

The "Round Table" at O.E.

The "Hobbies" interest group at RYLA got to put up a balloon.

Students are recognized

Seniors: Erika Kennedy, Clint Simpson, Jim Wentworth, Dan Stroup, Anthony Tierno; Missing: Mike Harvey

Juniors: Randy Brazee, Travis Nelson, Jason Brean, Nate Tompkins; Missing: Jamie Bancroft, Jim Small

Academic Challenge

Mr. Godfrey awaits the answer from the juniors.

Every year Oxford sends an Academic Challenge team to compete against other schools. In order to qualify for the Academic Challenge Team, students must take a pre-test. The six highest scoring students from each class compete in an assembly. After the assembly, ten students are recommended by the faculty to compete at Tompkins-Cortland Community College in March. Oxford competes with thirty-two other teams and the winner goes to a national competition in Houston, Texas.

This year's team consists of Tony Tierno, Jim Wentworth, Mike Harvey, Jamie Bancroft, Jason Brean, Nate Tompkins, Dina Drake, Melissa Stagnaro, David Micha and Kim Smith.

Sophomores: Bob Bleyle, Brandi Tracy, Missy Stagnaro, Kyle Whitney, Dave Michael; Missing: Dina Drake

Freshmen: Kim Smith, Jim Markovich, Robin Simons, Colby Cooper, Tony Bancroft, Peter Kasmarcik

for academic talents

Kim Smith is ready with the answer.

Anthony attempts to answer the question for the seniors.

Academic "O"

Sitting, First Row: K. Williams, E. Kennedy, H. Leonard, P. Cosen, K. Emerson, J. Thomas; *Second Row:* D. Micha, M. Waters, S. Phillips, B. Tracy, J. Roberts, V. Lanning; *Third Row:* N. Tompkins, C. Preston, P.K. Ford, M. Mayhew; *Fourth Row:* A. Amaral, S. Behe, T. Nelson; *Fifth Row:* J. Bancroft, T. Paden. *Standing, Front:* J. Amaral, N. Klemens, J.R. Bucklin, L. Williams, M. Knoll, P. Brennan; *Back:* T. Tighe, B. Bleyle, K. Jackson, B. Monk.

To qualify for an Academic "O" a student must earn an 85 average for the year. The students who earn this award must take at least five subjects, fail none of them and receive no incompletes. They also cannot drop a course.

The grades in the courses included in the figuring of the average usually count for the face value of the grade. The exceptions are: gym, which is not counted; band, in which 75% of the grade counts; and science with a lab, which counts 1.5 times the actual grade.

On the opening day of school, the Academic "O" awards are given out during the first assembly of the school year.

Many participate in

Mock Trial

Front Row: Witnesses-D. Drake, E. Kennedy, D. Micha, N. Tompkins, M. Fumare Missing: K. Lang; *Back Row:* Adviser-Mr. Constantine, Missing: Mr. Hicks; Lawyers-K. Smith, T. Bancroft, B. Monk, K. Emerson, J. Bancroft, C. Cooper.

Mock Trial is an academic activity which is sponsored by the New York State Bar Association. Each year a fictitious topic for a mock court trial is distributed to schools throughout the state. Schools send teams to regional competition and, if they are successful, they go to the State Tournament in Albany in May. This year's trial topic is "Neighbors Against AIDS Homes".

Author visits OACS

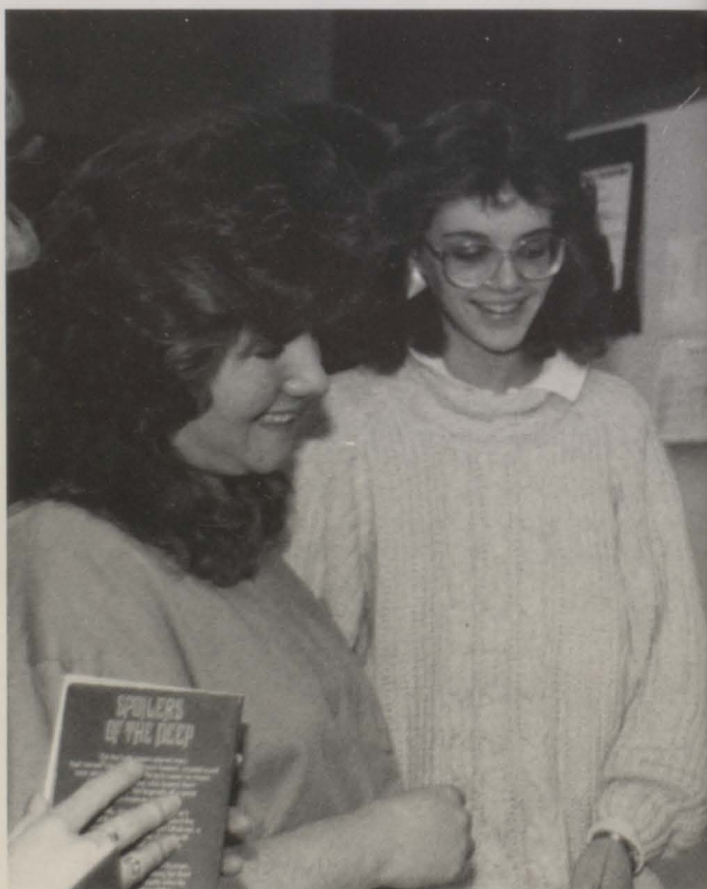

On March 19, 1990, author Marcia J. Bennett visited Miss Truman's tenth grade English classes which had just finished reading her book, *Where the Ni-Lach*. The students were interested in hearing how she got her ideas for the book and about the process a novel goes through before it is published.

Stock Market Game

Front: S. Rice, S. Perez; *Back:* K. Campbell, D. Branham

The Stock Market Game is one choice for a class project in Economics. The game is run statewide with teams competing in regional areas. Each team starts with \$100,000 of hypothetical money and they "buy" and "sell" stocks to see how much profit they can make. This group was the top Oxford team in the fall Binghamton Regionals. They "made" \$19,000!

Government Internship

Front: T. Marshman, S. Behe, E. Kennedy; Back: L. Hofmann, M. Knoll, H. Thome.

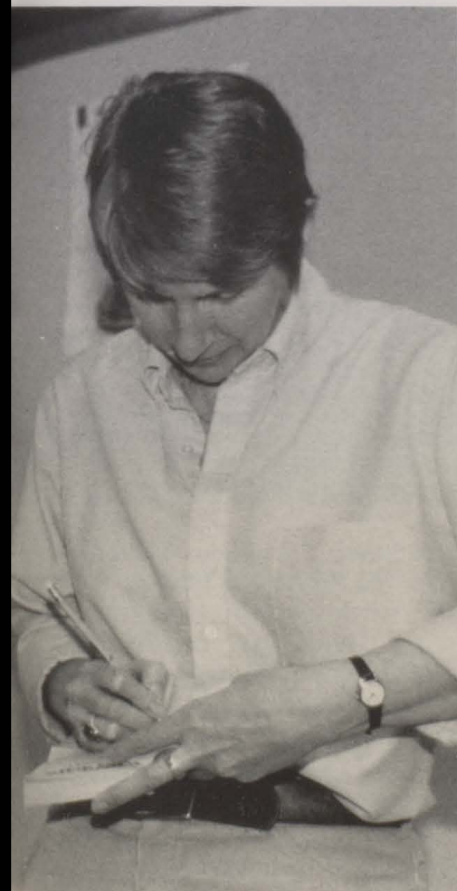

Government Internship is a program in which 6 members of the Participation in Government class get an inside view of local government. They attend Town Supervisor's meetings; tour the county facilities such as: the County Office Building, Courthouse and Jail; meet with the Town Supervisor, Robert Knoll; and hold a mock Supervisor's meeting. They discuss their experiences in class.

Senator Libous fields questions on issues from the 12th grade Government class.

On October 16, 1990 Senator Tom Libous visited our school to officially dedicate our new computer lab. State funds were used to purchase computers for this lab. Nineteen were purchased for the district with fifteen of them located in the Media Center's lab.

Senator Libous performs the ribbon-cutting to dedicate the new computer lab in the Media Center while Mr. Velten, Mrs. Ruebsamen and Mr. Emerson hold the ribbon.

Leaders taking

The 1991 National American Legion Oratorical Contest began with local level competitions in the fall of 1990. The Fort Hill Legion Post of Oxford sponsors our school's annual contest. Mr. Douglas Bell was the Legion's local contest director, and Mr. Carey again served as adviser.

Colby Cooper won this year's contest with his speech "Proud to be an American," which stressed the importance of voting and other participation in our country's various political processes.

Last year's local and county champion, Jason Brean, was runner-up, with his address on the value of the Bill of Rights and other amendments to the Constitution.

Both young men were awarded cash prizes, and Colby went on to win the county contest and compete in the district contest after this printing. Oxford winners have won the county contest for many years in a row.

Oratorical Contest

The Salute to Youth program is sponsored by the Southern Tier Chapter of the National Council of Youth Leadership. This program is for juniors who rank within the top 10% of their class scholastically and have been elected to a leadership position in school, church, or community within the last three years.

The students selected are announced over WNBC radio. They are eligible to attend a leadership seminar and enter an essay competition which determines the Youth Leader of the Year. This person receives a local college scholarship. They also have their personal portraits displayed in the Oakdale Mall.

action for our future

Mr. Whitney and Mr. Bell, American Legion Members, C. Cooper, J. Brean

The Hugh O'Brian Youth Foundation (HOBY) is a weekend seminar that takes place once a year and is a wonderful learning experience. The last HOBY seminar took place on the campus of the Rensselaer Polytechnic Institute. The money for the students to attend this seminar is donated by various service clubs. The participants of this seminar include 120 selected high school sophomores and many guest speakers. In the assembly chamber of the Capitol building, N.Y.S. Assemblyman Paul Tonko and N.Y.S. Senator Joseph Bruno spoke as part of the HOBY presentation. Although a lot of HOBY is listening to speakers, it is not entirely lectures. HOBY is also a chance for students to make new friends and learn about working well together. HOBY opens new doors for our future and generates memories that last a lifetime.

- 2020 has:
- developed a survey with help from a research analyst from Norwich-Eaton.
 - had a rally with futurist Clem Bezold
 - compiled a time capsule to be placed in the new Chenango County office building. The capsule will be opened in the year 2020.
 - made a video tape of a day in the life of an adolescent in Chenango County.

What is your favorite memory of this year?

"Running around, trying to figure out where you're supposed to be on the first day of school! And everyone telling me the wrong way." - Michelle Golden

"When I finally made Honor Roll my senior year." - Chris Harvey

"The whole year was a blur. I remember absolutely nothing but flying colors." - Laura Williams

"Len Bias' mother talking to our school. She was the most memorable speaker we've ever had." - Jessica Wiley

"I most remember the days I wasn't here." - Kev Auwarter

"Noonhour competitions in Spirit Week. They were fun - it didn't seem to matter if you won or lost; everyone was having a good time." - Julie Beckwith

"When we got gypped out of tug-of-war. It was the Class of '90's fault, and now we're paying for it this year." - Kelly Bauman

"My knee injury from wrestling." - Darron Stanton

"I feel that seeing the yellow ribbons around our school made me feel that our school really cares for our troops." - Jenni Cross

"Coaching Powder Puff." - Miffy Knoll

"Spirit Week." - Rusty Watts

"The fight between Jeff Beckwith and Steve Carroll." - Korrinna Kelsey

"Walking down the hall seeing the same faces in this little rural school." - Scott Lindridge

"Ambushing Mr. Abbott with a pop-open umbrella." - Ryan Stark

"Following Mr. Hicks -my future love slave- up and down the halls." - Kate Motyka

"I remember going and enjoying sectionals for soccer." - Jim Small

"Snow days." - C.J. Hansen

"I enjoyed embarrassing Darron Stanton on his birthday." - B.J. Diamond

"I loved going to Clyde Cole and watching all the Greene wrestlers." - Stacy Atwell

"Beating Dave at racquetball in the YMCA." - Jennifer Motyka

"If it wasn't for Oxford, we'd still have a school in McDonough, where the men are men and the women are too." - Clint Simpson

"Having a 'snap-off' with Kate." - Nicole Zur

"When Jenny did a flip at basketball practice." - Natalie Klemens

"Dressing up with Nicole for Nerd Day." - Danya Samsel

"Being picked up in a limo on Valentine's Day." - Emmett SanSoucie

"Having Jason Carman in math class." - Theresa Murphy

"C.J. getting his own treatment." - Heidi Leonard

"Stacy having her baby." - Jessica Sharot

"It being my last year." - Steph Harrington

"Powder Puff and Spirit Week." - Jennifer Duncel

"Four score and seven years ago, I remember our team winning the Stock Market Game." - Kev Campbell

"Ninth grade air band." - Angela Garruto

"The Spirit Week dance." - Hannah Meringola

"I remember Heather Bartle allowing me to take her on a date." - Jamie Bancroft

"Upper classmen being annoying." - Jenifer Whaley

"Playing varsity soccer." - Nathan Denz

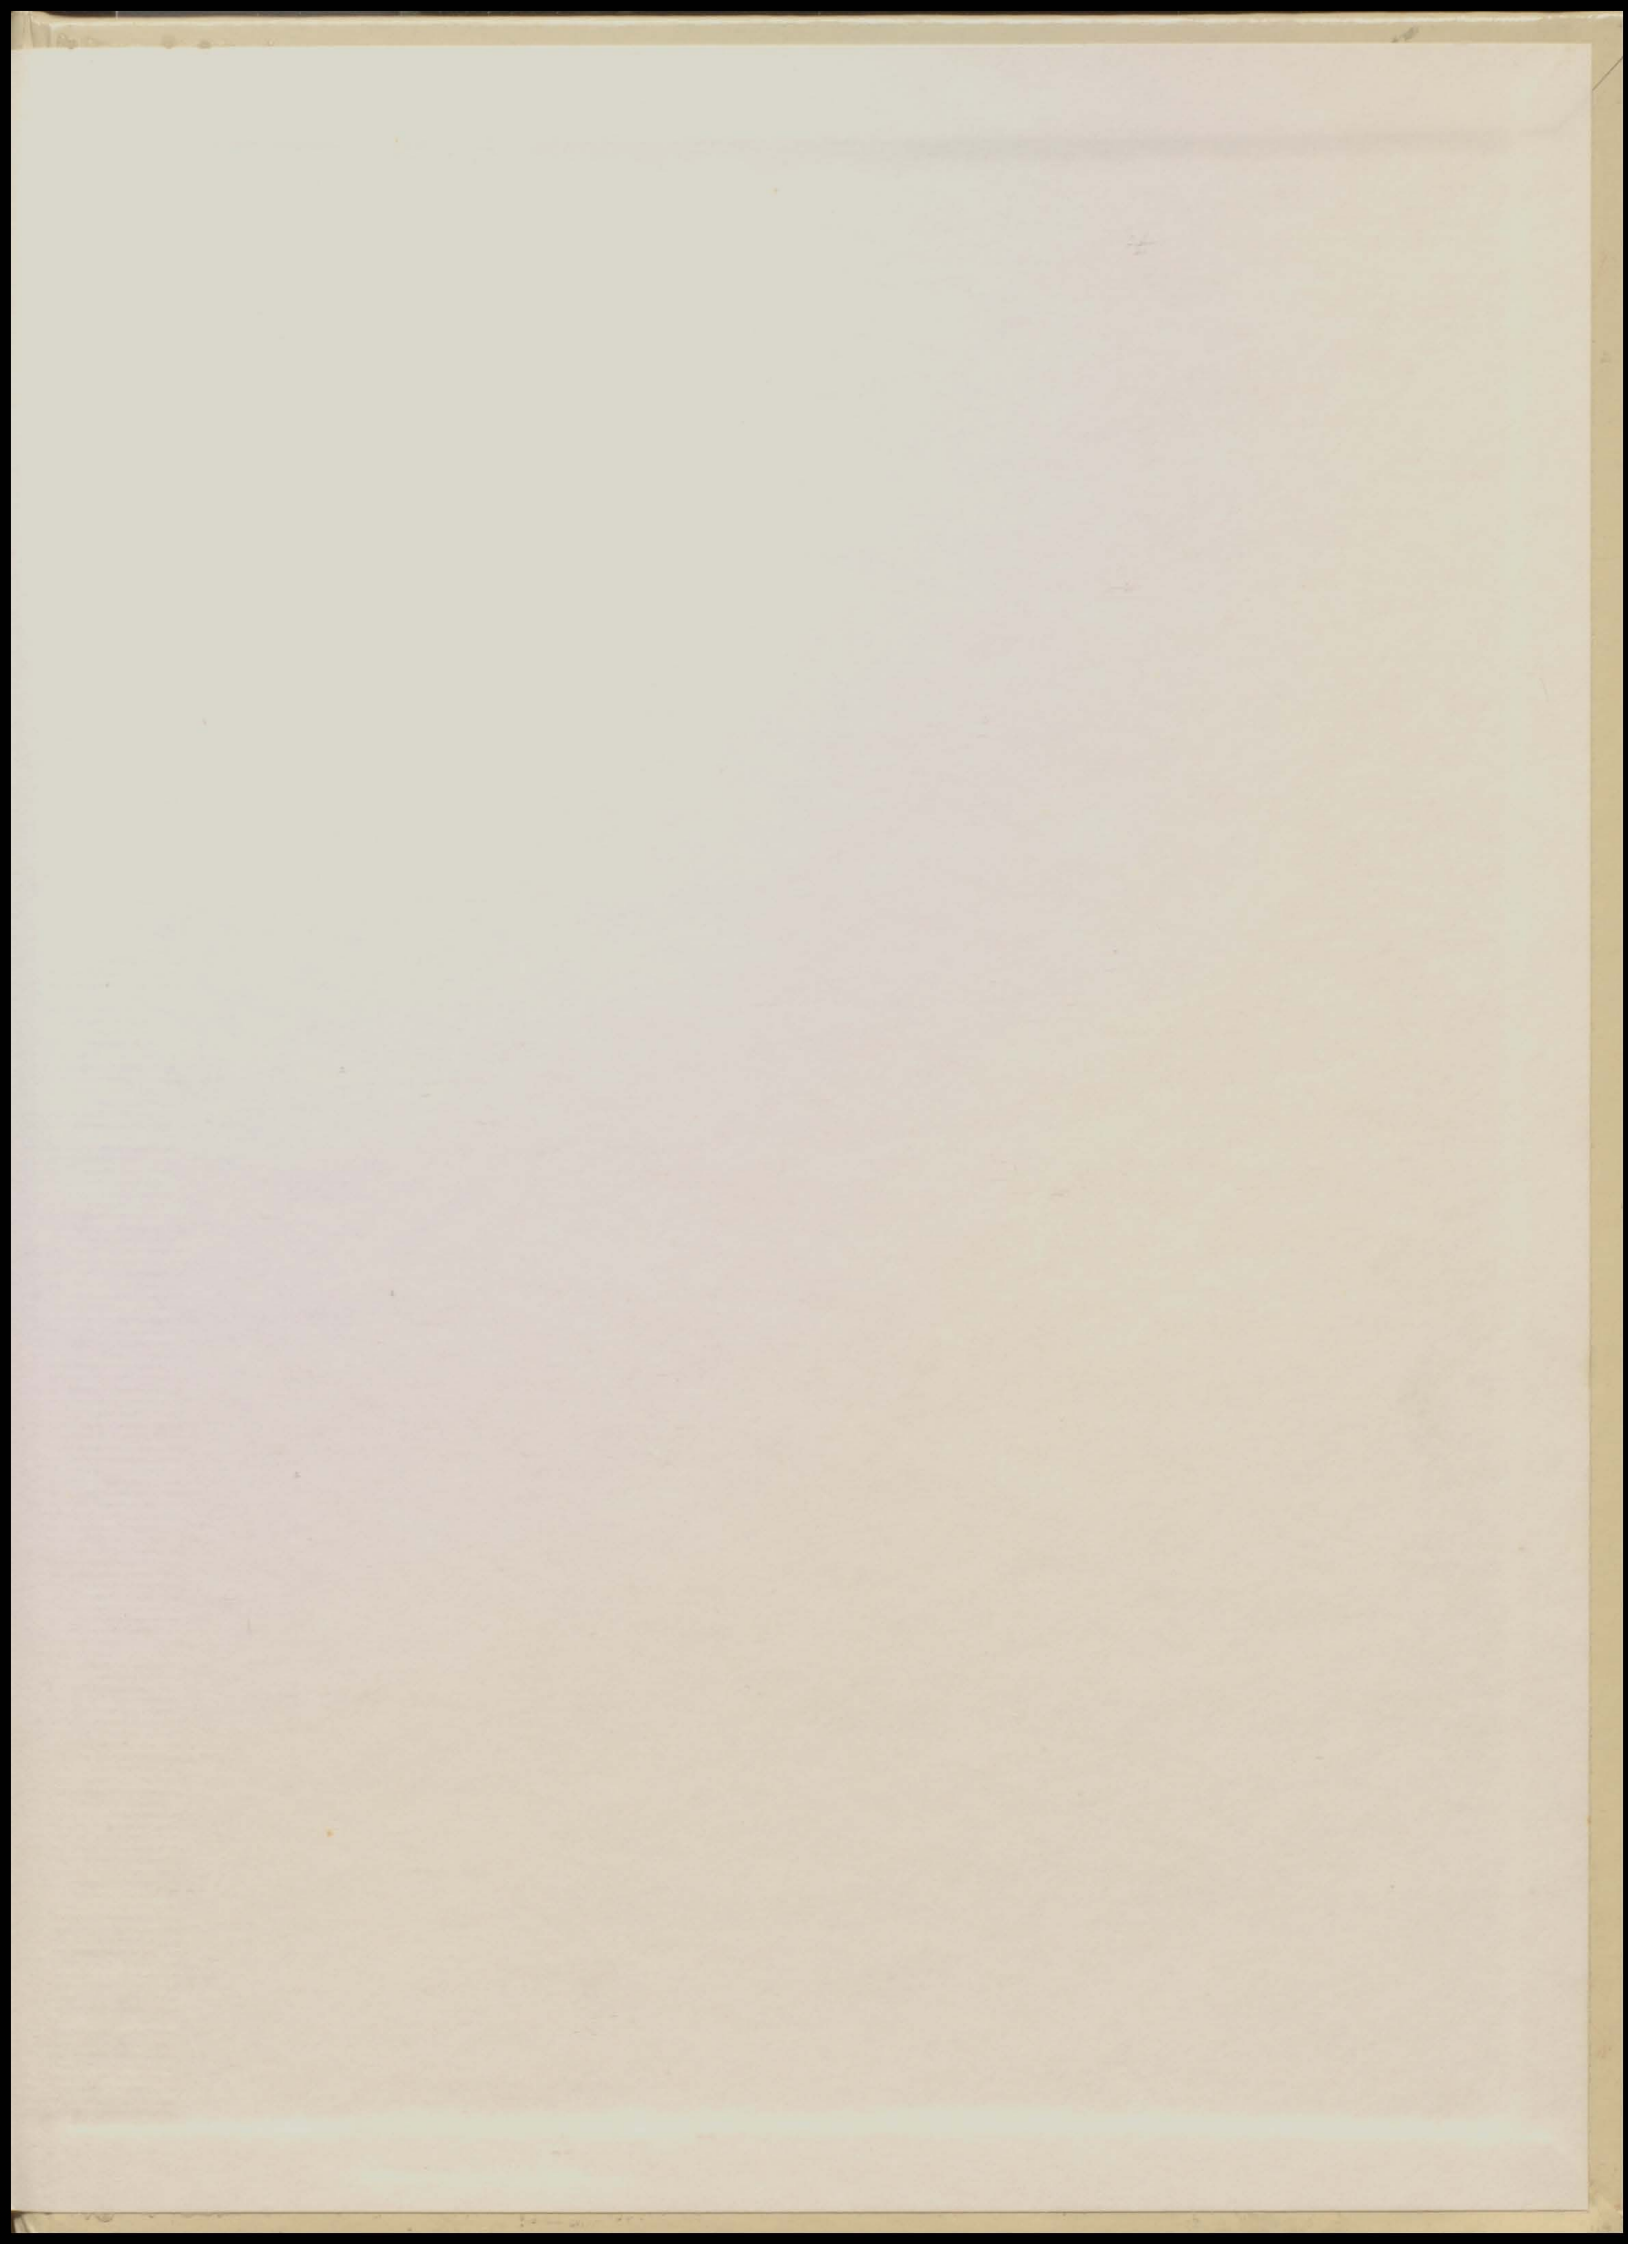

"We enjoy all the fun things our class does together." - Larine Brazee and Jenny Vigus

"Homecoming and Spirit Week." - Krissy Howard

"Spirit Week and air band." - Terina Burdick
