The new year brought new adjustments from past years. Homerooms are no longer in place, students report directly to their 1st period class. Breakfast is no longer a break between 2nd and 3rd periods, but takes place before school starts, from 7:45 - 8:04. The school day has been lengthened with the addition of the Advisory period between 4th period and lunch. Dismissal is now at 3:04 instead of 2:39.

# Halloween Dress up & Dance

The Halloween Dance was sponsored by Student Government and held in the high school gym. Michael Potter was featured as the DJ for the night.

# Snowball

The Snowball was held on Saturday February 17 after being rescheduled from January due to extreme cold weather. In keeping with the theme, Mother Nature provided the snow fall that began before the dance and continued throughout the night making travel a little slippery after the dance was over.

# SADD/Leadership

Diving into the most pressing issues that teens face today and working to make positive change.

Students Against Destructive Decisions and Leadership have joined forces to become one group within our high school.

SADD/Leadership is about caring for the people in our school, community and family. SADD, which stands for "Students Against Destructive Decisions" is a mind set we hope every student at Oxford adopts. Our club is made up of different people in our school who care about their peers and have the initiative to make a difference. Education is the key to preventing tragic events caused by teens making destructive decisions. We want people to think about the choices they make and how they can improve them. SADD is not just about destructive decisions, such as driving distracted or doing drugs, it's also about supporting everyone in our community and making sure every student at the school is safe and comfortable. This year we have celebrated Red Ribbon Week by having students sign pledges to not do drugs, we had a Hats, Gloves and Socks Drive to donate warm winter items to the community to keep Oxford warm this winter. Our Clubs' work never ends because there is always a way to help people and improve a person's experience and life in high school.

# Work Based Learning & Pathways

Preparing for our future...

The Oxford High School Work-Based Learning Program is an educational opportunity, open to juniors and seniors that prepares high school students for the world of work through a combination of academic and workplace learning. Through partnerships with local businesses, student's apply classroom learning to an actual work-placement. Students are guided through the process of obtaining a job and learn about the all the responsibilities that they will need to successful in the world of work. It is based on the belief that our youth must be better prepared for the future if they are to be successful in a competitive, global economy.

~Mr. Tefft, WBL Educator

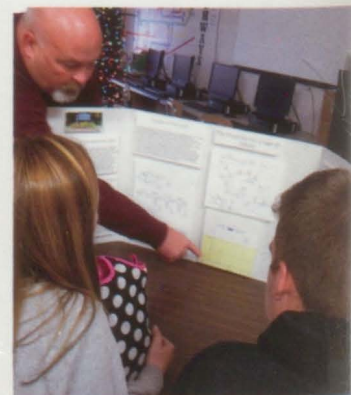

Pathways is a new course created to help students find their "path" after high school. Teachers help the students find a career they want to pursue after high school and learn more about said career. They also create a website that shows their high school career, what classes they took, etc.

# RYLA

## Rotary Youth Leadership Award

RYLA is the Rotary Youth Leadership Award. You have to apply and then do an interview and get selected by your local Rotary Club to go. It is a week long leadership camp at the SUNY Oneonta campus. There are a total of 110 kids from surrounding areas selected to go.

It was such a wonderful experience. I learned so much about being a better leader as well as being a better person in general. I made many great friends at RYLA but especially in my Small Group which we met with every day after a speaker or an activity to really talk in depth about it. This group taught me a lot about opening up and understanding where other people are coming from. RYLA also taught me a lot about freedom and responsibility within all the activities we did and had to make sure we were on time for ourselves. By the end of the week, many activities were run only by the students.

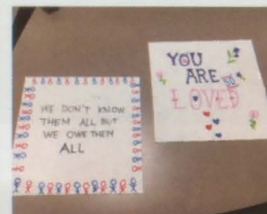

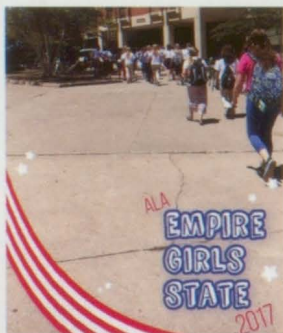

Rotary Youth Leadership Awards (RYLA) is an intensive leadership experience organized by Rotary clubs and districts where you develop your skills as a leader while having fun and making connections.

"My experience at Empire Girls State was amazing. I spent my days learning about politics, making bills, voting for positions and creating a brand new government for our "state." My nights were spent campaigning, helping to write and review speeches and generally having fun with my new friends of Earhart County. We created chants and cheers for our county to show our county pride at general sessions and supported our parties by wearing blue for Nationalists and yellow for Federalists on Party Day. I learned so much about our government and the voting and bill making processes while at EGS. I gained many friends who I still am in contact with and learned how to be a better leader and citizen. I would recommend to any Junior girl to try and be accepted to EGS because it will change your life forever." ~Vanessa Hadlock

# Girls State

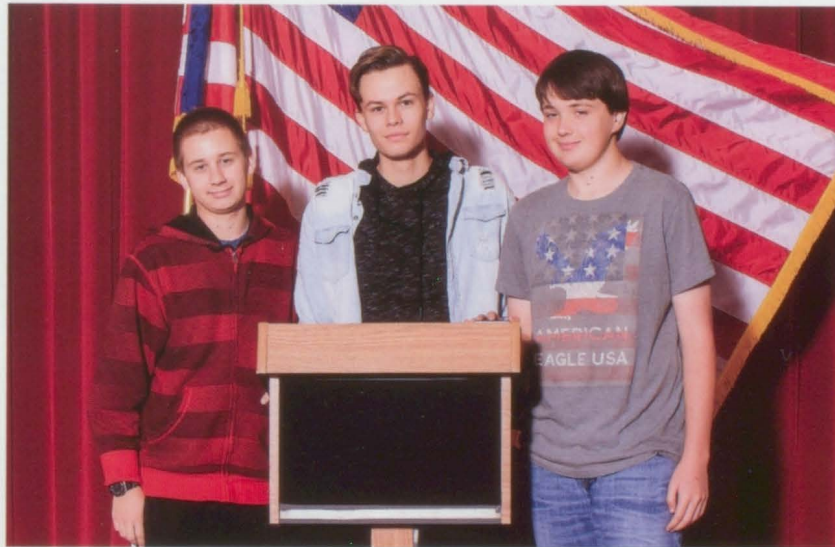

# Boys State

Boys State was held at Morrisville College in Morrisville, NY during the week of June 25 - July 1, 2017. Zachary Ford, Jacob Loughren and Mark Drewniak, Jr. were chosen by the Oxford American Legion Post 376 to participate. At Boys State, participants learn the rights, privileges and responsibilities of our citizens and the training centers on the structure of city, county and state governments. Operated by students elected to various offices, Boys State activities include legislative sessions, court proceedings, law-enforcement and presentations, assemblies, bands, choruses and recreational programs. In the beginning of the week, we were assigned to a marine who was able to completely flip over our mattress and blankets. His main responsibility was to keep us in line and busy with fitness and drills each day, but they also entertained us so much! The days were filled with learning and the sharing of ideas and voicing opposing options in not so quiet voices. This experience was one that we will appreciate for many years to come. Going to Boys State also allowed us to participate in the Village's Memorial Day Parade where Mark recited the Pledge of Allegiance, Jacob read a poem and Zachary recited the Gettysburg Address.

~Mark Drewniak, Jr.

American Legion Boys State is among the most respected and selective educational programs of government instruction for U.S. high school students. A participatory program in which students become part of the operation of local, county and state government, Boys State was founded in 1935 to counter the socialism-inspired Young Pioneer Camps. The program was the idea of two Illinois Legionnaires, Hayes Kennedy and Harold Card, who organized the first Boys State at the Illinois State Fairgrounds in Springfield. A similar program is available for girls sponsored by the American Legion Auxillary.

## Success isn't just about winning

"Oxford Football has had a proud and strong tradition dating back to 1924. Many generations through the years have left their blood, sweat, and tears on the football field. This year's team was no different. From an outsider's view, it would seem the season was unsuccessful. If you judge success by wins and losses, than they would be correct. I don't look at a football team on wins and losses. I look at a team success based on the impact they have on their fellow students, school and community. With this in mind, our team was victorious. It is not a popular view, but for Oxford Academy and the Oxford District, it was a team we needed. We brought pride back to people of all ages. From the youth teams mimicking our team practices, to the community's support in good times and bad, the young men of the Oxford Football Program brought pride back to our community. This team will not be remembered for their wins and losses, but rather the first team to bring back "old school" Oxford Football."

~ Coach Carey

The 2nd Annual Tailgating event was a tremendous success with a chili cook-off, decorating contest, music and fun activities. Laurie O'Brien was the chili cook-off winner this year. Here she proudly displays her trophy. Ms. Cox gets some help from Mr. Gross with judging the decorating contest.

No event is complete without a visit from Oxford's very own mascot, the Blackhawk! The Blackhawk made the rounds throughout the tailgating event and homecoming game.

This is much harder than you might think! Learning to work together as a team to walk across the parking lot on planks provided a lot of laughs to participants and spectators alike.

The Talent Show is hosted by Student Government. They have auditions in early April with the performances the last Saturday night in April. Anyone from the Oxford community is welcome to perform and attend. Some students featured here are; Jessie Meehan, Jacob Camiel, Emily Redfield, Vanessa Hadlock, Sean Smith, Allison Beckwith and Audrielle Clark, Sylvia Yates and Ryan Hitt.

MC's for the evening were Jacob Camiel and Emily Redfield.

MC Emily Redfield also performed with her friends Genevieve and Jessie.

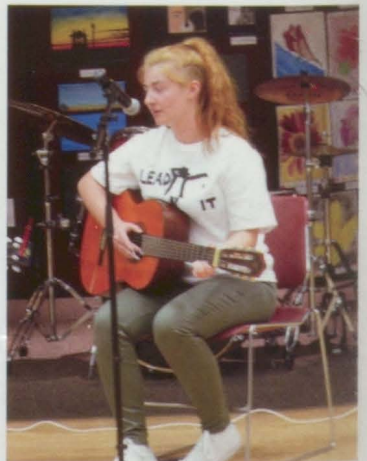

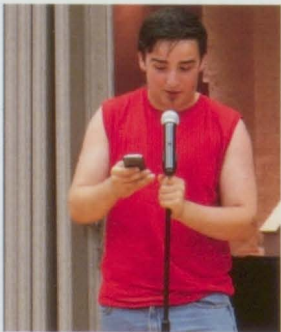

Pictured above are some of the performers from the evening.

An evening of music and song.

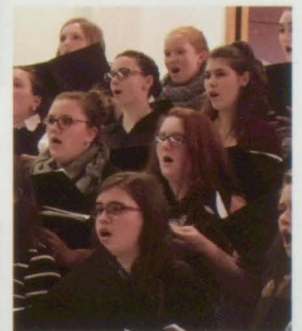

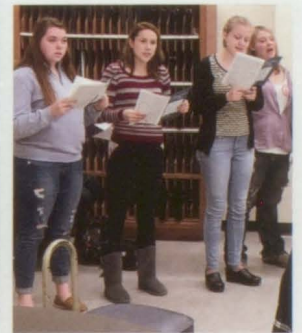

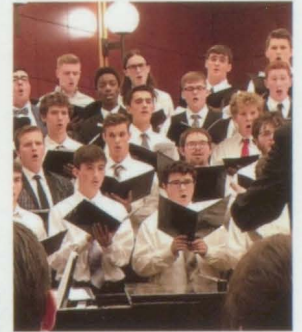

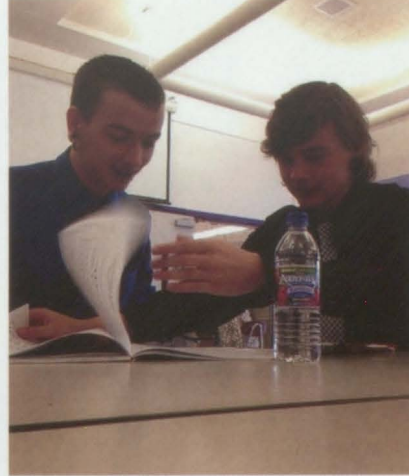

The Class of 2019 hosted a Coffee House and Bake Sale fundraiser on May 25, 2017. Many performers came to showcase their varied talents. There were musical performers as well as poetry recitals. The bake sale provided a wide variety of treats for the audience.

# Coffee House

# Chorus

Besides singing in our own Mixed Chorus, students also participate in All County and Area All State Festivals. Students who participated in both events are pictured on this page along with Winter Concert and Hershey Park trip photos.

# Concert Band & Jazz Band

Area All State attendees for 2017 were Fletcher Nisbet, Genevieve Gorman, Michael Potter and Jacob Camiel. To achieve a position in Area All State, a student must score a 98-100 on their NYSSMA solo performance and must be recommended by their Music Director. It is an honor to be selected by the committee. Congratulations to these students!

# Art Shows

Art Education is...visual arts like drawing, painting, sculpture, art history and design works.

Spending many hours outside of regular school, Ms. Eaton proudly enters and displays her students' artwork at a variety of art shows. Through the years, Oxford High School has had many students whose artwork has received awards and even gone on to be recognized at the State level.

Each year, Ms. Eaton and her incredibly talented art students create signs for the schools participating in the Clyde Cole Tournament. These signs are hung in the gym to welcome and recognize each school.

Ryan Hitt is creating a masterpiece while enjoying the fresh air.

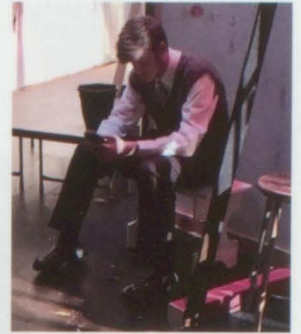

An unhappy game of romantic follow-the-leader explodes into murder one weekend at The Hollow, home of Sir Henry and Lucy Angkatell. The Angkatell's stumble on the murder scene of their house guest, the philandering Dr. Christow, in their country house as his wife is standing next to him with a revolver in her hand.

I wish you the strength to face challenges with confidence...along with the wisdom to choose your battles carefully...I wish you adventure on your journey and may you always stop to help someone along the way...listen to your heart and take risks carefully...Remember how much you are loved!!!

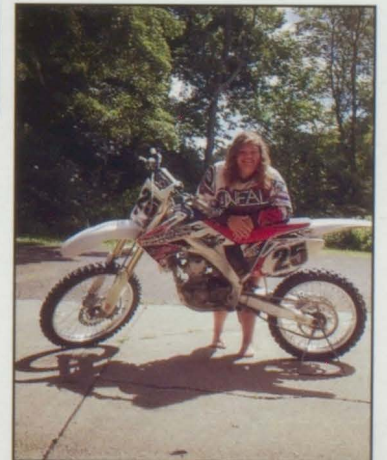

# Eleni Spyratos

Eleni,  
We are all really proud of you. We will miss you a lot when you go to college. Make sure you come home every weekend. I know you will make the best nurse. Have fun and be really safe, at least now I don't have to worry about you and that dirt bike. Good job!

Love you,  
Mom, Dad, Tid & Spyros

Oh, and make sure you call Tid every day. He will really miss you a lot.

## Caleb Langille

Caleb,  
We are all so proud of  
you. We all love you.  
We know that you can  
do anything that you  
put your mind to.

Love,

Grandpa & Grandma  
Dad & Logan

Congratulations Elizabeth.

You have made your family proud.

Love your Parents, Grandparents  
and Godparents

## Jacob Loughren

You're the best big brother anyone could  
ask for. I'm so proud of you.

Love you so much,  
Jonah

# Fletcher DeHond Nisbet

It's incredible! I blinked & you went from a wonderfully happy boy to a wonderfully amazing, nice, polite to others, sometimes funny & sometimes very serious, young man.

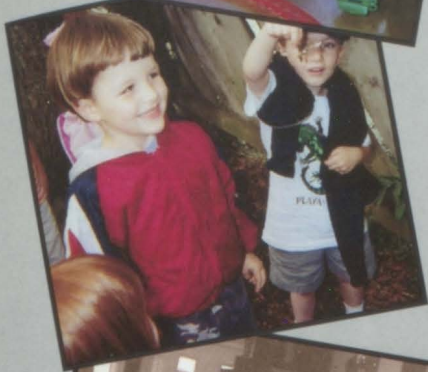

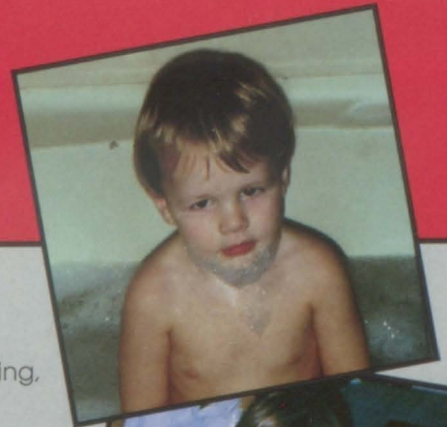

The musician in you astounds me every time you perform - whether in a musical or all facets of the Sherburne Pageant of Bands, All-County & All State concerts, NYSSMA, Jazz Festival ensembles or EVERY Band & Chorus concert here @ OACS. Just WOW! 😊

I am so very proud of you, Fletcher and I know your four brothers are, too. Your decision to go to college, plus being accepted at several of them, makes me even more proud.

Your future is in your hands now, but if you ever need guidance to get you through your future endeavors, I'd advise you to follow your heart because I will always be there.

Congratulations on all of your accomplishments, your family - all of us - are looking forward to sharing any & all future successes with you.

Much Love & Pride,  
Mom (AKA "Fletcher's Mom"), 😊  
brothers and families

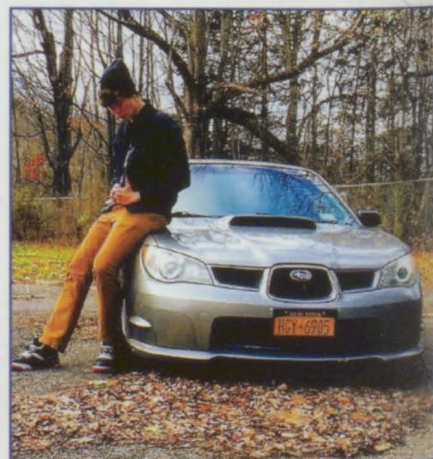

# Jacob Loughren

Jacob,

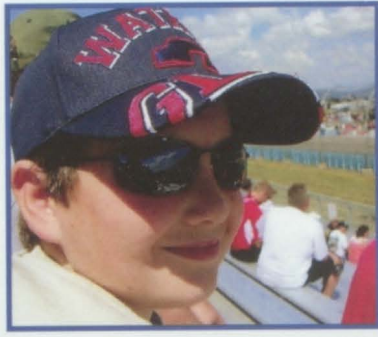

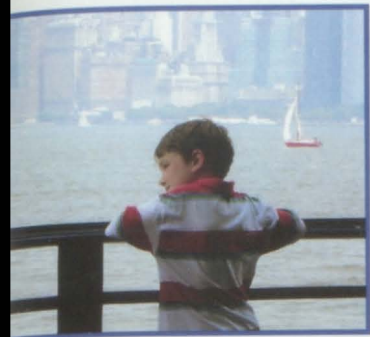

Words can not describe the love we feel. You are sweet, kind, considerate and loyal, yet strong and fierce.

You have made everyone up in Heaven and here on Earth proud. We are truly blessed that you have been given to us. Thank you for being ours.

"Go confidently in the direction of your dreams.  
 Live the life you have always imagined."  
 ~Henry David Thoreau

# Desiree Armondi

Desiree,  
 We, as your parents, can not begin to tell you how proud of you we are. You have brought love, light and joy to our lives as we have watched you grow and become the amazing young lady you are today. We wish you the best in your endeavors. We hope you carry out your dreams and live every day like it's your last.  
 Love Always, Mom and Dad

Desi,  
 "My wish for you is that this life becomes all that you want it to,  
 Your dreams stay big, your worries stay small,  
 You never need to carry more than you can hold,  
 And while you're out there getting where you're getting to,  
 I hope you know somebody loves you and wants the same things, too,  
 Yeah, this is my wish." ~Lyrics by Jeffrey Steele and Steve Robson  
 Love, GM Penney

To our oldest Granddaughter,  
 First we want to say how very proud of you we are.  
 We also want to wish you all the very best that this new chapter in life will bring you.  
 We love you so very, very much,  
 Grandpa Don and Grandma Cindy Rogers

# Jourdan Pinney

We have watched in amazement as you've grown into the young woman you are today. We watch with great anticipation to see what you become. With your talent and determination, the sky is the limit.

Best of luck!

Love,  
Mom & Frank

# Lorraine Buser

Follow your dreams - It isn't about how many ribbons you win or how much money you make, Life's about doing something you love and never giving up.

Best wishes on your next journey in life.

# Jessie Meehan

I've enjoyed and treasured every moment of your life, Jessie. Proudly and sadly it's now time to share you with the world. The beauty that you see in all things and that is within you radiates and warms every person that you meet. You have the ability to inspire, lead and make incredible changes that I believe will be far reaching.

"I hope you...  
Still feel small  
when you stand  
beside the  
ocean...  
Give Faith a  
fighting  
chance...  
Never fear those  
mountains in the  
distance...  
Never settle for  
the path of least  
resistance..."  
(Lee Ann  
Womack)

"No other branch of science truly touches our lives more than that of the science of agriculture. It has revolutionized every aspect of our lives. Other countries are fierce competitors in electronic technology, automotives and manufacturing, but no one in the world even comes close to competing with American Agriculture. Our research, combined with our free enterprise system, has made us the envy of the world in agricultural production." ~ Anonymous
