

# CROCHET FOR CHARITY

## TWIDDLEMUFFS

Come **knit** or **crochet *TwiddleMuffs*** for those with Alzheimer's and Dementia. TwiddleMuffs are sensory handwarmers to help sooth Alzheimer's and Dementia patients when they are anxious. They can fidget with the different textures on their TwiddleMuff while keeping their hands warm.

OCTOBER

21

10 - 1

OXFORD  
MEMORIAL  
LIBRARY

Some supplies and patterns will be provided but you are encouraged to bring any funky scraps from your yarn stash or your own needles/hooks
