July 27th 2:00-4:30

CDO Workforce Job and Career
Advising

NEWS

Summer Reading Programs have started!

Adults can sign up and fill out tickets for each book they read as chances to win a limited edition tote bag! We will be picking one winner each week in July. Kids can sign up and receive their Summer Reading Program kit along with a free book!

We had a lot of fun at the library in June at our Pride event and the Summer Reading Program Kickoff with Green Golly and Her Golden Flute!

A career advisor from the CDO Workforce will be visiting the Oxford Memorial Library on Friday July 27th and Friday August 30th from 2:00-4:30. Stop by to get help finding a job or plan out different career paths. We have more information available at the library resource center as well.
