# Oxford Memorial Library NEWSLETTER

## LIBRARY EVENTS

### August 9th

National Book Lover's Day!

### August 30th from 2-4:30pm

CDO Workforce Advising at the Library

August is when the library (and staff) take a break from programs before fall and the holiday season rolls around.

A career advisor from the CDO Workforce will be visiting the Oxford Memorial Library on Friday August 30th from 2:00-4:30. Stop by to get help finding a job or plan out different career paths. We have more information available at the library resource center as well.

## NEWS

Our Summer Reading Programs were a blast! Were you one of the lucky winners in our Adult Summer Reading Program? The tote bags are very cool but aren't we all winners when we read a great book? I like to think so. Kids also had lots of fun picking out their prizes and doing crafts with us for the Youth Summer Reading Program. Their favorite books this summer ranged from Clifford and Curious George to Wings of Fire, and even a Runaway Pony!

Thank you to everyone who participated in this years program.
