CLOSED for Christmas Eve and
Christmas

December 31st

CLOSED for New Year's Eve

NEWS

Thank you to everyone who participated in our November Programs! We had so much fun at our craft night making finger-knit-friends and book page wreaths. It was also lovely to host Vicky House for another fantastic local history presentation. We hope everyone had a nice Thanksgiving and are looking forward to our December events. We're starting out the month in the Christmas spirit with our annual Polar Express program. The New York State National Guard will also be visiting the library to do a Disaster Preparedness Training with the Citizen Preparedness Corps. With extreme weather and storms becoming more frequent you don't want to miss out on this program.
