NEWS

Make sure to stop by the library on Saturday March 8th to celebrate at Nancy's Retirement Party!

We are very excited to be hosting Vicky House for a Women's History Month Presentation.

You will learn about the women who served their communities in Oxford and surrounding areas during wartime, and times of peace.

Family Craft Night is a Tin Folk Art project this month. So stop by for a fun evening of crafts on Wednesday the 12th. Family Craft Nights will be the 2nd Wednesday of each month from now on.

Adult Craft Nights will be scheduled for the 4th Thursday of each month. March's Adult Craft Night is a Spring Wreath. The sign up list filled up FAST, but you can still join the waitlist and be notified if a spot opens up.

Please welcome our newest clerk Delaney! We are so excited to have her join our team.
