NEWS

Is summer finally here?

This month at the library we have a few fun events planned. Join us for Family Craft Night making colorful macrame rainbows, and celebrate Father's Day with a Scavenger Hunt!

We will be celebrating Pride Month again this year with a Pride at the Library crafts and movie program.

Our most exciting June announcement is the the start of SUMMER READING PROGRAMS on June 30th! We have something planned for all ages. Kids, adults, and teens, can begin signing up for Summer Reading Programs on June 30th. Youth Summer Reading will be doing a Read-and-Bead this summer to track our reading and Adults will fill out tickets when they finish a book to enter weekly giveaways like past years.
