Halloween at the Library

NEWS

October is here and we have a slew of spooky Halloween programs planned! Don't forget to stop by on Halloween night to trick-o-treat and activities.

It is also time for the annual Great Give Back Project. This year we are hosting a handmade card workshop and collection drive for patients at Chenango Memorial Hospital. Come make cards with us on the 18th or drop off any handmade cards throughout the month. The library will also be collecting donations to start a Community Care Cabinet with hygiene products. Check out our flyers or Facebook for more information.
